

eMolecules

Vous souhaitez commander sur **vwr.com**?
Votre site d'achat en ligne vwr
Rendez-vous sur le site : **fr.vwr.com**

1 Étape 1

- S'identifier sur **vwr.com** et sélectionner dans tous nos services => the building blocks portal
- Si cette option n'est pas disponible pour vous, merci de nous contacter à **webshop.fr@vwr.com**

The screenshot shows the VWR website interface. At the top, there is a navigation bar with the VWR logo and 'part of avantor'. On the right, it says 'Connecté en tant que claire.randazzo / Déconnexion' and shows a shopping cart with '15,00 €', a notification bell with '0', and a 'Mon Compte' button. Below this are links for 'Demander un devis', 'Commande Rapide', and 'France (Français)'. A main navigation bar contains 'NOS PRODUITS', 'DISCIPLINE', 'SERVICES', and 'PLUS...'. A search bar is present with the placeholder text 'Mot-clé, Fabricant, Référence article, Numéro CAS...'. The main content area is titled 'The Building Blocks Portal' and features a sidebar with a 'SERVICES' menu. The menu items include: 'Services VWR CATALYST', 'Services de solutions à façon VWR', 'VWR Science Portal', 'Commerce électronique / Solutions technologiques mobiles VWR', 'VWR Single-Use Solutions', 'Services techniques', 'The Building Blocks Portal' (highlighted), 'Labtools', 'Je crée ma start-up ...', 'e-Newsletter', and 'Centre de Formation'. The main content area has a sub-header 'The Building Blocks Portal' and a sub-section 'VWR Building Blocks Portal POWERED BY eMOLECULES'. The text describes the portal as a tool for 'Search, Source, and Order Compounds Quickly', aiming to 'Accelerate your discovery by reducing your search time and streamlining procurement process complexities'. It lists several benefits: access to 650,000 compounds, various search methods (sub-structure, similarity, exact search, SD file, SMILES, chemical name, CAS number, MCFD number), real-time pricing, and compliance with DOT and DEA regulations. It also mentions rigorous supplier validation and quick deliveries. A link is provided to view an online tutorial. Below this, a 'How to Order' section states that users must be logged in and click 'Continue' to access the portal. A final note states that clicking 'continue' implies agreement to the terms of use. A blue 'Continue' button is located at the bottom right of the page.

The Building Blocks Portal

VWR Building Blocks Portal
POWERED BY eMOLECULES

Search, Source, and Order Compounds Quickly

Accelerate your discovery by **reducing** your search time and **streamlining** procurement process complexities with the **VWR Building Blocks Portal, powered by eMolecules**.

VWR's product and service solutions plus eMolecule's data and chemical sourcing expertise combine to deliver a streamlined search, source and order process for chemical building blocks so you can focus on your discovery.

- Access 650 000 compounds through www.vwr.com
- Sub-structure, similarity or exact search; or use an SD file, SMILES, chemical name, CAS number, MCFD number etc.
- Real time price and availability
- Rely on our expertise in DOT and DEA compliance
- Rigorous supplier validation for quality compounds and quick turnaround deliveries
- Click below to access this powerful search engine tool and add your requirements to your VWR shopping basket for all your lab supplies.

The VWR and eMolecules support team and online tracking system works in harmony to ensure that your order arrives on time and to your specifications.

How to Order

To take advantage of this enhanced functionality you will need to be logged in.

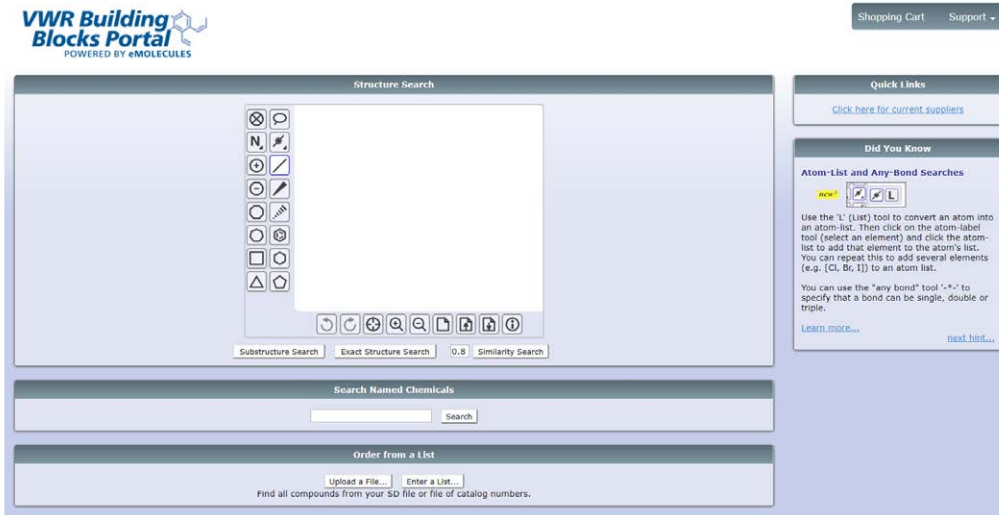

Please click Continue below and select the "Build Blocks Portal" link from the My Profile page.

By clicking continue, you agree to the [Terms of use](#).

Continue

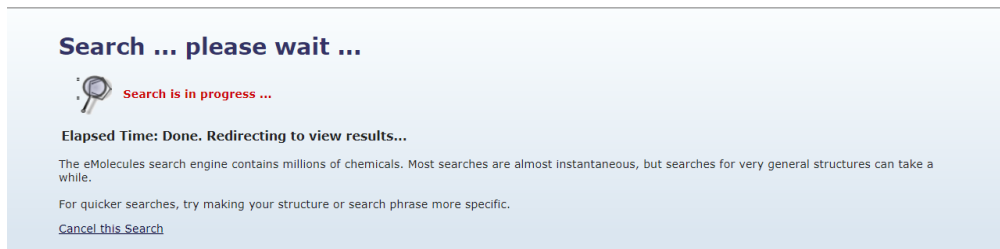

2 Étape 2

- Faire votre recherche par structure ou nom chimique

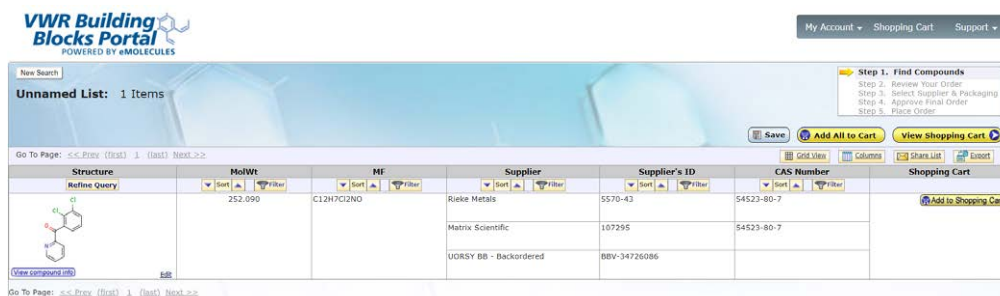

3 Étape 3

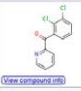

- Un message apparaît pour vous dire que votre recherche est en cours

4 Étape 4

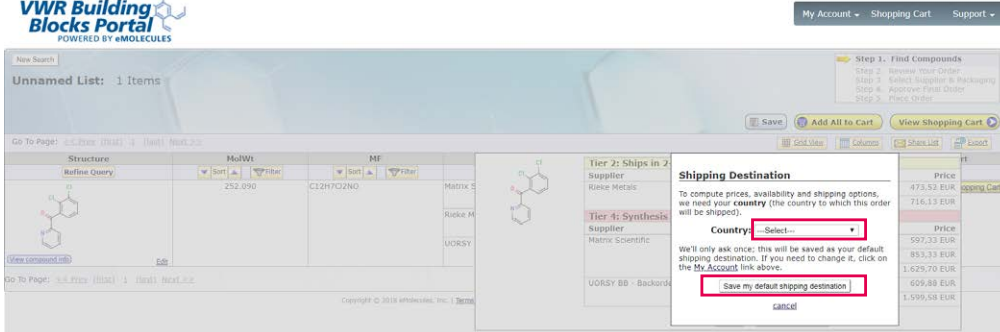

- Afficher les résultats sous forme de liste.
- Sélectionner votre composant et cliquer sur "add to shopping cart"

Structure	MolWt	MF	Supplier	Supplier's ID	CAS Number	Shopping Cart
	252.090	C12H7Cl2NO	Rieke Metals	5570-43	54523-80-7	Add to Shopping Cart
			Matrix Scientific	107295	54523-80-7	
			UORSY BB - Backordered	88V-34726086		

5 Étape 5

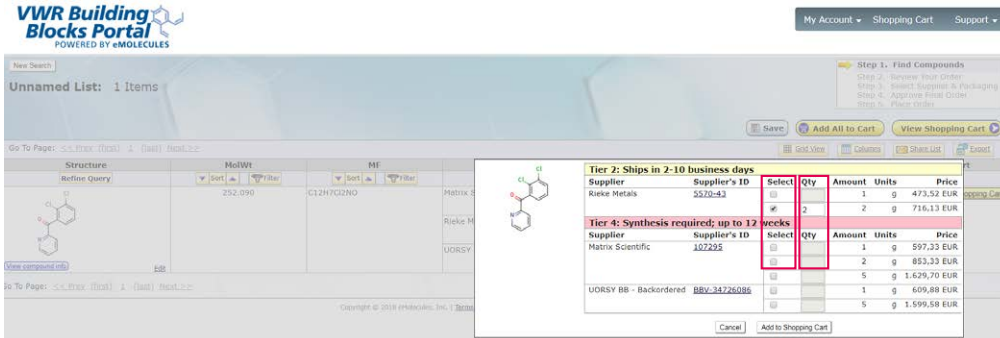

- Choisir le pays de livraison et cliquer sur "save my default shipping destination"

The screenshot shows the VWR Building Blocks Portal interface. A dialog box titled "Shipping Destination" is open, prompting the user to select a country. The dialog includes a "Country" dropdown menu and a "Save my default shipping destination" button. The background shows a search results table with columns for Structure, MolWt, MF, and Supplier.

6 Étape 6

- Sélectionner le fournisseur souhaité, rajouter la quantité à commander et cliquer sur "add to shopping cart"

The screenshot shows the VWR Building Blocks Portal interface. A table of search results is displayed, with columns for Supplier, Supplier's ID, Select, Qty, Amount, Units, and Price. A red box highlights the "Qty" column, and another red box highlights the "Add to Shopping Cart" button. The background shows the search results table with columns for Structure, MolWt, MF, and Supplier.

7 Étape 7

- Faire une nouvelle recherche
- Et/ou rajouter des postes complémentaires avec des nouveaux composants
- Et lorsque vous avez terminé, cliquer sur "view shopping cart"

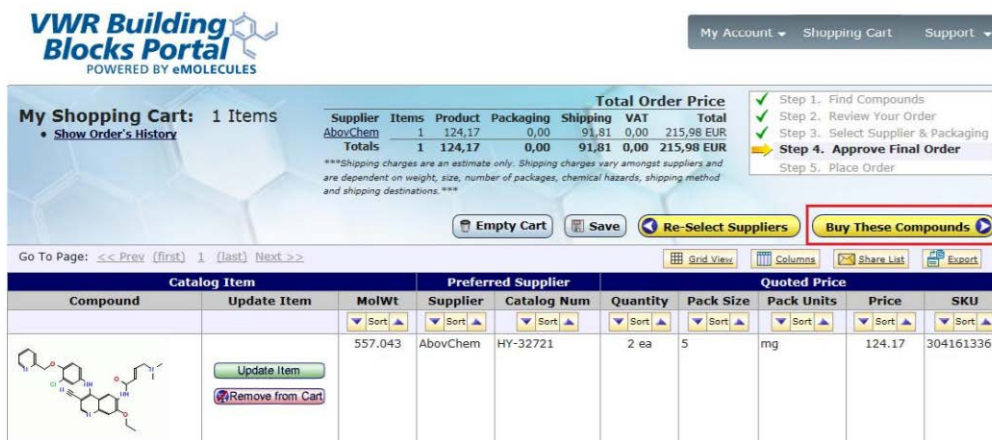

The screenshot shows the VWR Building Blocks Portal interface. A search results table is displayed with columns for Structure, MolWt, MF, Supplier, Supplier's ID, CAS Number, and Shipping Cart. The "View Shopping Cart" button is highlighted with a red box. The background shows the search results table with columns for Structure, MolWt, MF, and Supplier.

Structure	MolWt	MF	Supplier	Supplier's ID	CAS Number	Shipping Cart
	557.043	C30H29CIN6O3	Selleck Chemicals	S2150	698387-09-6	<input checked="" type="checkbox"/> In Shopping Cart
			Axon Medchem	1526	698387-09-6	
			AK Scientific	X2638	698387-09-6	

8 Étape 8

- Vérifier votre panier d'achat et cliquer sur "buy these compounds"
