

Commandes d'eMolecule

Souhaitez-vous commander vos eMolecules sur le site **vwr.com** ?
Rendez-vous sur **www.vwr.com**

1 Étape 1

- Connectez-vous sur **vwr.com** et sélectionnez « Services => Portail de blocs de construction ».
- Si cette option n'est pas disponible, contactez-nous à l'adresse **webshop.fr@vwr.com**.

[Accueil](#) > [Services](#) > [The Building Blocks Portal](#)

The Building Blocks Portal

Search, Source, and Order Compounds Quickly

Accelerate your discovery by **reducing** your search time and **streamlining** procurement process complexities with the **VWR Building Blocks Portal, powered by eMolecules**.

VWR's product and service solutions plus eMolecule's data and chemical sourcing expertise combine to deliver a streamlined search, source and order process for chemical building blocks so you can focus on your discovery.

- Access 650 000 compounds through www.vwr.com
- Sub-structure, similarity or exact search; or use an SD file, SMILES, chemical name, CAS number, MCFD number etc.
- Real time price and availability
- Rely on our expertise in DOT and DEA compliance
- Rigorous supplier validation for quality compounds and quick turnaround deliveries
- Click below to access this powerful search engine tool and add your requirements to your VWR shopping basket for all your lab supplies.

The VWR and eMolecules support team and online tracking system works in harmony to ensure that your order arrives on time and to your specifications.

How to Order

To take advantage of this enhanced functionality you will need to be logged in.

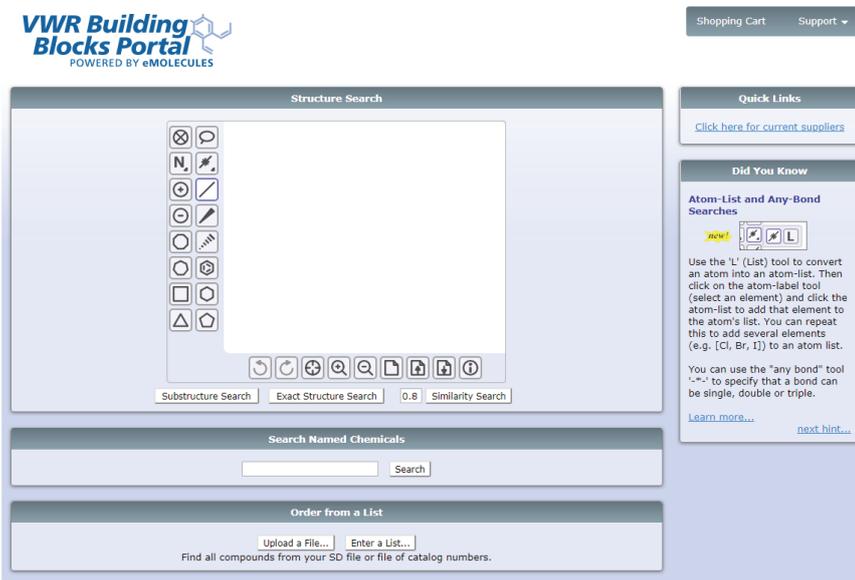

Please click Continue below and select the "Build Blocks Portal" link from the My Profile page.

By clicking continue, you agree to the [Terms of use](#).

Continue

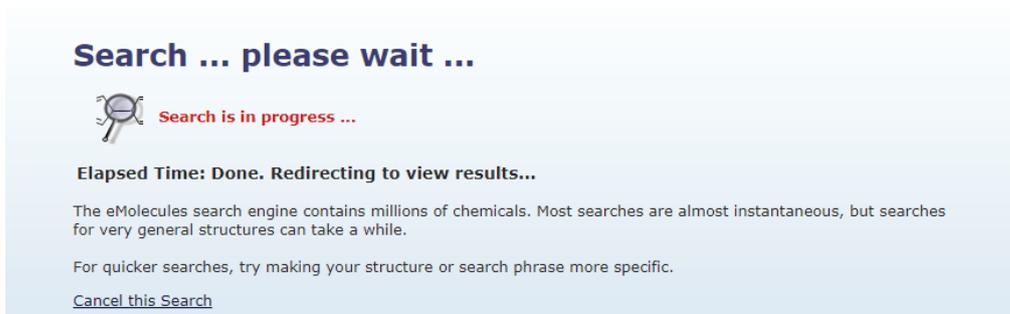

2 Étape 2

- Effectuez votre recherche par structure ou nom chimique.

3 Étape 3

- Un message indiquant que votre recherche est en cours s'affiche.

Search ... please wait ...

 **Search is in progress ...**

Elapsed Time: Done. Redirecting to view results...

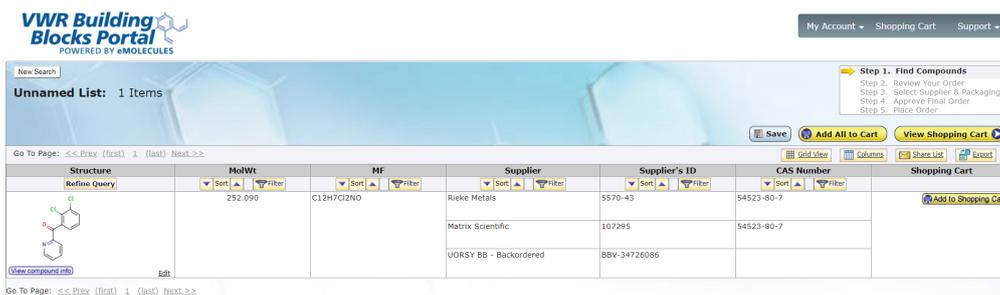

The eMolecules search engine contains millions of chemicals. Most searches are almost instantaneous, but searches for very general structures can take a while.

For quicker searches, try making your structure or search phrase more specific.

[Cancel this Search](#)

4 Étape 4

- Affichez les résultats sous forme de liste.
- Sélectionnez votre composant, puis cliquez sur « Ajouter au panier ».

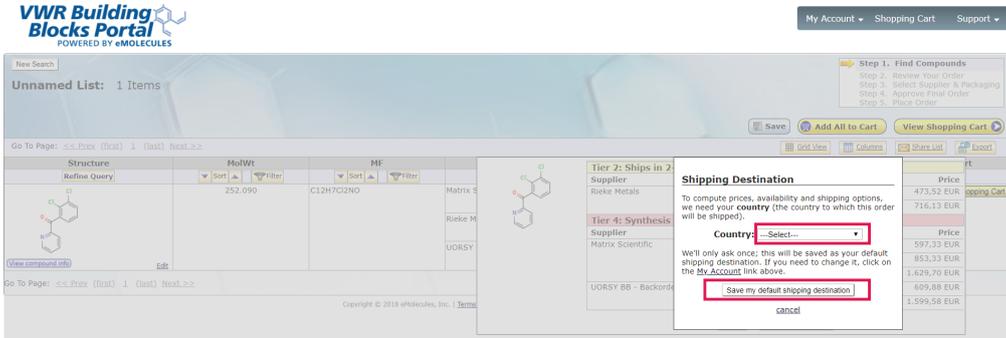

Unnamed List: 1 Items

Structure	MolWt	MF	Supplier	Supplier's ID	CAS Number	Shopping Cart
	252.090	C12H7Cl2NO	Rieke Metals	5570-43	54523-80-7	Add to Shopping Cart
